Dear Academy Applicant:

Thank you for your interest in receiving a nomination to the United States Service Academies.

From the fields of Gettysburg to the sands of Omaha Beach military academy graduates have led this country through some of its most difficult days. Today, these same values are taught at the service academies.

## **HOW NOMINATIONS ARE COMPLETED**

Choosing the most qualified candidates to be nominated for a Service Academy nomination is no easy task. Nominees are chosen strictly on the quality of their qualifications, academic record, standardized test scores, resume, essay, and letters of recommendation. No other information will be used when selecting candidates for nomination.

In order to ensure the utmost level of fairness and quality in the fiercely competitive nomination process, Congressman Flood has asked several qualified and experienced individuals to serve on a Service Academy Nomination Board. This board will review all applications, interview prospective nominees, and then recommend the most qualified candidates for Service Academy nominations.

Congressman Flood believes this process is the most fair and efficient way to select the most skilled and qualified candidates for nomination.

No. Although many of the qualifications are similar, each academy operates under its own admissions guidelines. Visit the academy of your choice via the websites noted for each academy's particular admissions qualifications.

### **Who should I ask to write a letter of recommendation on my behalf?** It is important that the

individual writing your letter demonstrates personal knowledge about you. While it might seem impressive to have a high-level professional construct your letter, it is more important the writer clearly knows your desire to attend an academy.

| ■ Clergy     | ■ Scout Leaders           |

### **Will I automatically be selected by the academy after I receive a nomination?**

No. You will be placed among a select group of nominees, and the academy of your choice will make the final decision. If selected, you will receive an offer of admission (an appointment) directly from the academy.

**What if I choose more than one academy? Will I be limited to a single nomination?**

No. You can be nominated to multiple academies depending on how well you have competed among this year's pool of candidates. It is also possible to win multiple appointments.

**When will I know if I have been offered an appointment by an academy?**

Academies will begin to notify candidates of their admission status in February. All offers of appointment are generally sent out by May.
