The Honorable Rosa DeLauro

House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lincoln Center Terrace and Rental Rehabilitation Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Lincoln at 555 South 10<sup>th</sup> Street, Suite 205, Lincoln, NE 68508.

The funding would be used to support public space improvements as part of the new Center Terrace affordable housing development located at 13th & D to E Streets. The Center Terrace redevelopment project is a 125-unit affordable mixed-use project including rental housing and a not-for-profit community health clinic called, Clinic with a Heart. The funding would be used for enhanced street crossings, sidewalks, bike facility improvements, trees and landscaping, lighting and an enhanced pocket park design and construction. The project is an appropriate use of taxpayer funds because it addresses the need for safe, quality affordable housing, and the connection of residents to vital services and facilities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike Flood", with a large, stylized loop at the end.
