Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Winslow, Nebraska Sewer System Relocation Project in fiscal year 2025. The entity to receive funding for this project is the Village of Winslow, Nebraska, located at 308 Main Street Winslow, NE 68072. The funding would be used to address critical infrastructure needs including a new sewer lagoon, lift station, sewer mains and all the necessary connections. This project is an appropriate use of taxpayer funds because it will reduce costs, enhance public safety, further economic growth, modernize infrastructure and promote equity and fairness as the residents of Winslow look to build a more sustainable community.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael J. Flood
Member of Congress
