Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the Downtown Corridor Project in City of Lincoln for fiscal year 2024. The entity to receive funding for this project is the City of Lincoln Urban Development Department, located at 555 S 10th Street, Suite 205, Lincoln, Nebraska 68508. The funding would be used for the design and construction of street, sidewalk and related improvements along the principal arterial streets in downtown Lincoln. The project is an appropriate use of taxpayer funds because the pedestrian infrastructure that this project builds would assist with safe and easier access to residents, employees, visitors and property owners in downtown Lincoln, Nebraska.

The project has a Federal nexus because the funding provided is for the purposes authorized by 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Yours very truly,

Mike Flood
Member of Congress
