The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oldfield Street Paving in Waverly Project in fiscal year 2026. The entity to receive funding for this project is the City of Waverly at PO Box 427, Waverly NE, 68462.

The funding would be used to pave Oldfield Street, from Cannongate Road to N 141st Street. The project is an appropriate use of taxpayer funds because this road is the last remaining gravel street that is integral for community connectivity. Paving it will ensure a safe and efficient route to travel to both sides of the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael J. Flood  
Member of Congress
